

Appendix II: Intervention 2 - Script for working with the control group

1- Group talk about the painting while projecting the image on the projector or digital whiteboard:

- How many ... are there?
- What color is the ...?
- Do people's clothes look like yours?
- What season do you think they were in?
- Is there a river in our city or is there a sea?
- ...

2- A version of the painting in which two objects are missing (a bather and the dog) is distributed.

- Locate the missing objects in the drawing.
- Paint the missing objects in the drawing.
- Color the object ...
- Paste colored papers on the object ...

3- A blank sheet is delivered for students to paint their own version of the painting.
