

## **Appendix I: Intervention 1 - Script for the control group**

1- Group talk about the painting while projecting the image on the projector or digital whiteboard:

- What type of room is showed in the table?
- Does it look like your room in your house?
- What objects appear in the painting?
- How many ... are there?
- What color is the ...?
- How many people do you think they live there?
- Are they organized or disorganized?
- ...

2- A version of the painting in which two objects are missing (the bed and the mirror) is distributed.

- Locate the missing objects in the drawing.
- Paint the missing objects in the drawing.
- Color the object ...
- Paste colored papers on the object ...

3- A blank sheet is delivered for students to paint their own version of the painting.
